

# Repeat Athlete Cleat Collection

## Welcome Back!

Welcome back to another year of football. Repeat Athlete is collecting cleats again at the BYF Equipment pickups. We will have bins at the shed and we will be collecting cleats for any sport and of any size.

## Our New Program!

Beginning later this year, we will be starting a new program. We will help build fields and start up athletic programs in areas that cannot afford to do it. In order to do this we need your help! Starting this year, we are beginning to ask for donations to build these fields and programs. We will also be collecting sporting equipment. We will have a donation box along with bins for the equipment at the collections.

### Donation Information:

Donations can be mailed or dropped off at cleat collections. Please make all checks payable to: Repeat Athlete.

Starting later this month we will be accepting credit card donations through our website.

Note: Donations are currently not tax-deductible. Although we are an Illinois non-profit corporation, we are not a 501(c)(3) organization with the IRS. We have just started our 501(c)(3) application and expect it to be completed by next year.
